FIFA is an official videogame of the English Football Association. Created by EA Canada and published by Electronic Arts, FIFA was released in August of 1993 and it's probably the most known videogame in the world. With over 80 million licenses sold, FIFA is the third best-selling videogame of all time. And it's easy to see why: the game is truly a masterpiece. For a first-time player, FIFA can be very confusing with all the options and menus, and it might seem a bit over-complicated. If you've played the game before though, you'll know that FIFA is such an addictive game, it doesn't really matter how complicated it is. EA's FIFA game franchise has made a name for itself as a sports franchise that captures the essence of real-world football. The multiple game modes, dynamic rosters, and player attributes that redefine player behavior make FIFA one of the most authentic sports simulation games on the market. An official videogame of the English Football Association (EA Canada) and published by Electronic Arts, FIFA is one of the most famous videogames in the world. Awards include Game of the Year by G4TV, Best Sports Game of All Time by GameSpy, Best Sports Game of the Generation by GameSpot, Best Sports Game of the Generation by IGN, and Best Sports Game of the Last 10 Years by Gamespy, and Best Sports Game in the U.S. by Game Informer. There are currently over 105 million players worldwide. The franchise has become a powerful force in the industry, with over 37 million registered players for the EA Sports NHL Hockey, 27 million for NCAA College Football, and around 14 million for NBA 2K. There are many things to learn about FIFA. Some of them are how to play the game, some are about the rules, and some are just fun to learn about. Here are a few fun facts, so you will be "FIFA-ed" when you hear them. "FIFA" is the football academy of the English "FA." It is also the game that can be played on an Xbox, PlayStation, Nintendo GameCube, and Wii. Here's a list of FIFA facts. Some facts about FIFA. • Set in 1999, FIFA is the sixth installment in EA's FIFA series of sports videogames. • With an estimated 17 billion documented goals scored, FIFA is the undisputed king of sports videogames. • More than
