The Visual Impact Engine is designed to change the way players appear across all game modes. **FEATURE HIGHLIGHTS:** Visual Impact engine FIFA in motion technology: continuously improving your gameplay Brand new manager animations New Hero Moments FIFA Ultimate Team "This World Cup is my second and will be my last, so I have a lot to prove." Timo Werner "Germany already started winning games but we want to improve this even further with our new manager. It is not about me leaving Bayern, but who replaces me. I'd like to see new faces in the top three German teams. "I will miss the fans, the city and the grass, but we hope for a good tournament and everything will go well for the team. But first we have to face England in our group." Julian Draxler "Germany always makes the quarter-final. I would like to go one step further." Raphael Guerreiro "For me, the most important thing is the spirit. The most important players are those who play for each other. I want to play for my team-mates and for Germany." Bastian Schweinsteiger "It is a new era and a new challenge. The players are very motivated. The coach has really opened my eyes." Stefan Kiessling " I enjoyed my two years with Germany. It was a great experience. " Mario Götze "We are not just satisfied with our qualification. We want to go even further. The English, French and Italian teams are all very strong. "We have a great team and the national team is experiencing a positive development. We have learned a lot during the last few years." Jurgen Klopp "We will play to win, and the team has the attitude and approach to meet those goals. " Lucas Hernández " We have come a long way. This tournament is a boost for our goal of qualifying for the World Cup in Russia. " Thomas Müller "We will be targeting

What's new:

- **Career - Update your game with the on-pitch performance of the world's best players.**
- **Live in the era of football with authentic players and teams from the 1960s, 1980s and 1990s.**
- **Be a part of the world's most popular sport with Pro and Ultimate Team - the first versions of EA SPORTS FIFA that allow you to play with your friends in live online matches.**
- **You can now reorder your players with your favorite kits, and make the ideal look that suits your playing style. Transfer credits between your teams; showcase your squad in your preferred style! Matchment, goal songs and stats theme. A logo in the pitch background to appreciate your play in the 6th person.**
- **Player ID, Player Jerseys/Skins or select your Ultimate Team Player as per your fanclub and organization. But be warned, there is no such a limitation on Ultimate Team Loans!**
- **Dynamic Dribbling - Balancing dribbling no longer needs to be static. Dribbling now gets new AI based movement. One of the new physics-based features is how the dribbling animation reacts to terrain and how the defender reacts to the dribbler.**
- **Dynamic Entities - This update brings a new feature called Dynamic Entities. On-screen notifications, when you press a button, hit a pass or score, are now animated. Dynamic Entities are also useful to quickly change settings or fast travel.**
- **New Fifa Ultimate Team - Play with your friends in 8v8 matches, or online to show off your team and away your opponent.**
- **Online FUT - Play in-game matches with your friends. Download and play conveniently within 3G connections, or in single user mode.**
- **Interactive Hype - Music is a big part of the live experience of playing FIFA games. Now you can interact with the hype as you score and win matches. If there is no support, you'll hear a booing noise. If the supporters feel that you are**

-
- **holding up football, they might bring out flares and flares.**
 - **Ratings and Leagues system - Final tournament standings, league tables, and league rules each have a unique set of ratings and transfer restrictions that govern which teams can enter certain tournaments. A ratings system as in FIFA is given**
